 - For residence halls: push one event (posters, pizza party for hall with greatest participation, etc.)
- Elections
 - Currently there are candidates for each position
- Ben's proposal
 - Re-apportion officers to meet programming needs (so work is proportional to # of officers in that position)
 - 3 divisions: programming, administrative, representative
 - Programming: plan all programs for CHSC (except NAR programs); overseen by VP
 - Administrative: webmaster and historian; overseen by secretary
 - Representative: represent, bring budget requests to CHSC; overseen by treasurer
 - Goal: do same stuff, but more efficiently
 - Any changes implemented will be done by the 2008-2009 council
 - Ryan's concerns
 - responsibilities now vs. new responsibilities (increased responsibility for secretary, treasurer, president, vice president)
 - probably won't be implemented for another 2 years
 - 6 social chairs too many?
 - Vertical organization is good, especially for future advisors to CHSC
